Re: United States v. Keith Liwanag 17-Cr-677 (JBW)

Your Honor:

Today Your Honor sentenced Mr. Liwanag to the mandatory minimum term of 15 years, following his conviction for participating in the sexual exploitation of a child in violation of 18 U.S.C. § 2251(a) and (e). At the time I neglected to ask the Court to recommend to the Bureau of Prisons that Mr. Liwanag be designated to the Moshannon Valley Correctional Center in Pennsylvania. Moshannon Valley is a privately operated facility under contract with the Bureau of Prisons that houses a large number of individuals who will be deported, as will Mr. Liwanag.

With the consent of the government, I now request that the Court recommend a designation to Moshannon Valley Correctional Center to the Bureau of Prisons, and that the Judgment reflect this request.

Thank you for your consideration.

Respectfully,,

/s/

Florian Miedel
Attorney for Keith Mason Liwanag
